

On PNOY's Key Result Areas

1) Transparency, Accountability and Governance

- Pursue promotion of NFA Charter Change, with the Governance Commission for GOCCs (GCG).
- Good Corporate Governance – Our corporate governance mechanism is being enhanced to strengthen internal transparency, accountability, professionalism and independence, ethics and practices. It shall see to the adequacy and effectiveness of internal controls adopted such as the agency's governance operations, information systems to include reliability and integrity to financial and operational information, effectiveness and efficiency of operations, safeguarding of assets and compliance with laws, rules and regulations and contracts.
- Anti-Red Tape Act of 2007 (ARTA) - in compliance with Administrative Order No. 241, mandating the speedy implementation of Rep. Act 9485, otherwise known as the "Anti-Red Tape Act of 2007 and its Implementing Rules and Regulations", an ARTA Executive Committee was created responsible in the study, review and re-evaluation of NFA's top 20 front-line services, the systems and procedures of availing the front-line services, the Customer Assistance and Complaint Unit, the campaign strategy against fixers, and to make such recommendations as may be necessary to modify or improve the prevailing system and procedure of providing services to the public. The Committee shall also be responsible for the adoption and implementation of Performance Management System – Office Performance Evaluation System (PMS-OPES), the formulation, adoption and implementation of a Citizen's Charter, and such other related matters within the ambit of RA 9485, with the end view of eliminating red tape and graft and corruption in the agency.
- Internal Audit – conducts audit that encompasses assessment and evaluation of the adequacy, effectiveness and efficiency of the Control System, Risk Management and Governance processes of NFA and its sub-units. It involves the review of all financial and non-financial operations either manual or computerized.

2) Poverty Reduction and Empowerment of the Poor and the Vulnerable

- ASEAN Plus Three Emergency Rice Reserve (APTERR)
It is a regional cooperation scheme among ASEAN countries, China, Japan and Republic of Korea (ASEAN plus Three Countries) aimed at strengthening food security and reducing poverty in East Asia. The NFA is the local cooperating agency to the EAERR.

3) Rapid, Inclusive and Sustained Economic Growth

- Stable supply and prices of staple food thru increased local procurement and distribution as stock replenishment.
